### **Trainers Choice Chooses AFX**

**Port Moody, BC** - Progressive Health Innovations Inc. (PHI), manufacturer of the AFX – Ankle Foot maXimizer, is pleased to announce the completion of a distribution deal with Trainers Choice, Canada's number one sport medicine product supplier.

"In addition to being an official supplier to organizations such as Hockey Canada, Canadian Athletic Trainers Association (CATA), and NHL Alumni, they also sell products through leading national retailers such as Shoppers Drug Mart, London Drugs, and Pharmasave," said Matt Ferguson, PHI President and CEO. "Trainers Choice is ideally positioned to help us sell the AFX to both clinical and retail markets across Canada."

Heather Campbell, Athletic Therapist and Customer Service Manager of Trainers Choice is very excited about adding AFX to their product line. She states, "Trainers Choice built its business and reputation of developing products that are influenced by in-clinic practice. AFX is an excellent example of a product developed with that same understanding, providing a complete, easy-to-use foot and ankle strengthening solution for practitioners, patients and athletes."
